About the Artists

Stephen Sondheim is highly regarded as one of the finest composer/lyricists in musical theatre. His Broadway successes include *West Side Story*, *Gypsy*, *A Funny Thing Happened on the Way to the Forum*, *Sweeney Todd*, and *Sunday in the Park with George*. Critics hailed *Company* as one of the most innovative musicals of its time. His other musicals include *A Little Night Music*, *Follies*, *Pacific Overtures*, and *Merrily We Roll Along*. Sondheim is the only composer/lyricist in Broadway history to win the Tony Award in three consecutive years. Today, he holds five Tonys, as well as the Pulitzer Prize for Drama (*Sunday in the Park with George*). Sondheim recently won an Oscar for his song "Sooner or Later" from the film *Dick Tracy*.

George Furth is primarily known as an actor, with numerous television and film credits. After studying at Northwestern University and Columbia University, he began his acting career at the prestigious Actors Studio in New York. His film appearances include *Butch Cassidy and the Sundance Kid*, *Myra Breckinridge*, *Blazing Saddles* and *The Boston Strangler*. *Company* was Furth's writing debut. The musical received the New York Drama Critics' Circle and Outer Circle awards in 1970. His other writing credits include *Twigs*, *The Act*, and another Sondheim collaboration, *Merrily We Roll Along*.

We are proud to be celebrating our fifteenth year in Ann Arbor. **SchoolKids' has been rated as one of the top twenty music stores in the country.** Here's what folks are saying about us:

"SchoolKids' is a genuine 'record store' in the classic sense; its atmosphere and its regard for the music it sells is clearly unique in the business. It does not underestimate the taste or intelligence of its customers. It carries the widest spectrum of music—all sorts of music—that I've ever seen anywhere. Its employees are helpful, knowledgeable fans of music rather than mere button pushers. Aside from the obvious hits, the store goes out of its way to carry titles that, however obscure, are genuinely GOOD—a trait which fellow customers respect and appreciate. It also has the best selection of deleted records and CDs I've ever seen."
